

Mandatory Meeting Schedule 2017-18

Meetings are a critical part of the Draft House program, and contribute directly to the success of our Drafters. We have organized our meetings to provide you with high-impact guidance and support based on the plot and structure of your book, at the time in your draft when you will need the information most. Meetings are also a way to connect in real time with your fellow Drafters for support and encouragement, along with the private Facebook group for the season.

Drafters must attend all meetings to remain in the program and maintain eligibility for graduation (including critique and other benefits). If you must miss a meeting due to an emergency or extenuating circumstance, please notify us at mj@draftyourbook.com AND emily@draftyourbook.com as soon as possible so that we can work with you to maintain eligibility in the program at our discretion.

Meeting	Date & Time (all times EST)
